Statement of Confidentiality

All psychotherapeutic services provided by this office are done so with respect to your right to confidentiality. Laurie Lytel, LCSW, will not release information about a client's treatment status with this office, or disclose clinical information, without the client's permission.

However, legal and ethical regulations require exceptions to this under certain circumstances. The State of Nevada requires that information be reported in the following situations: imminent danger of suicide, homicide, suspected child abuse or neglect, and suspected elder abuse or neglect.

Your signature below indicates that you have read and understood this information describing both the rights to and the limits of confidentiality.
